Dear Tom:

Thank you for making it possible for Marty Lawler, Joe Pascoe and myself to visit Ben Franklin High School on the morning of March 4, 1983, in order to determine if there are any objects in the high school that the Historical Society is interested in adding to its collections. There are several objects in Ben Franklin High School that we would very much like to have. They are listed on the enclosed page. How do we go about acquiring those objects? Do we speak directly to the Frank Zazzera family?

Regarding the presentations on the D&H Gravity Railroad in the High Rises in Carbondale: the Carbondale Historical Society is prepared to present the program in the North High Rise on April 21st and in the South High Rise on April 28th. Both programs will begin at 7 P.M. and will last about two hours. The principal speakers on both occasions will be John V. Buberniak and myself. Unless we hear from you in the meantime, we will assume that those dates are still good for all concerned. Is there enough room in each building so that these presentations can be open to the public? If these presentations are open to the public as well, will you handle the publicity or will the Historical
